Killerwhales Gala Report

Essex Senior/Junior Championships 6th & 7th Nov 2010

Tom Webb was celebrating a hat-trick of Junior (16+under) Championship titles after an exciting weekend of racing at Braintree, winning the 50m and 100m Freestyle and the 100m Individual Medley. He rounded off his haul with a silver in the 50m Butterfly, and bronze in the 50m Breaststroke.

Also celebrating was **Lewis Clifford-Stephenson** who secured the senior 100m IM Championship, together with four silver medals.

Lewis also wore down the opposition in the 50m Freestyle Skins Challenge, a marathon knockout competition of eight separate races each swum in quick succession, in which he claimed victory in the final race by a mere fingertip.

Danielle Rooke also battled well in the Ladies 50m Freestyle Skins, having qualified in eighth place, she saw off most of the opposition to finish in a very respectable third position. She had started the weekend with a silver medal in the Junior 800m Freestyle and rounded it off with a bronze in the Junior 100m event.

Meanwhile, **George Crow** showed some excellent form to finish 3rd in the Junior 200m Backstroke.

Some of the most memorable racing came in the junior relay events, and the roof was almost lifted with the noise from the supporter's gallery as the boys "A" 11/12yr freestyle and medley teams both took silver medals, while the "B" teams were close on their heels finishing in fourth in both races.

Not to be outdone, the girls 9/10yr teams finished in bronze position for both the medley and freestyle events.
